

Special Park Meeting Tuesday, May 17th

The Cypress Forest Public Utility District will hold a special meeting on Tuesday, May 17th at 6:30 P.M. in the PUD building. The Board will discuss development of the recently acquired park property and welcomes input from our residents. Michael Murr, a professional park development coordinator, will be present to talk about park development. He will answer questions from residents and from the Board. Although the district has limited funds to spend on the park, for the next few years, we are interested in what can be best accomplished to make the park more attractive and useful to the residents.
