

SUCCESSFUL RECYCLING REMINDERS

- WCA will recycle the material contained within the recycling cart ONLY.
- Recycling will be picked up every Friday at the backdoor.
- Holiday Schedule: If a holiday falls on a scheduled recycle day, your recycle will be picked up on the next regularly scheduled recycling day following the observed holiday.
- The recycling cart is for the containment of recyclables only, NO TRASH.
- Recycle only the items shown on the reverse side of this document.
- Rinse all food and beverage containers. This reduces chance for odors and insects.
- Crush or flatten both plastic beverage bottles and cans, it saves space in the cart.
- Cut and/or flatten cardboard boxes so they fit loosely into the cart.
- Utilize the paper recovery containers at your local school for large amounts of waste paper or large boxes. You help the environment, your school and save available space in your recycling cart.
- Paper products contaminated by food, grease and oils are NOT recyclable.
- STYROFOAM products are NOT recyclable, place into trash!

Hazardous Materials, Paints, Used Oil, Auto batteries, CFL's?
