

🔑 Celebrate Halloween with Fun, **Safety**, and Care

Halloween is almost here, and the witches are warming up their broomsticks! As the neighborhood prepares for a night of festive fun, remember that Halloween is not everyone's cup of witches' brew. A little care and consideration can help keep the celebration safe, welcoming, and enjoyable for everyone.

💡 Glow Bright and Choose a Safe Route

Be visible. Choose bright costumes and carry a glow stick or flashlight, or add reflective tape so drivers can see you. Halloween night brings an increased risk of children being struck by vehicles.

Drivers, stay alert. Watch carefully for children along roadways, near curbs, and emerging from between parked cars.

Use extra caution. Enter and exit driveways slowly. At twilight and after dark, watch especially carefully for children wearing dark clothing.

Plan your route. Stay with your children, be extra careful on main roads such as Cypresswood Drive and Champion Forest Drive and visit only homes where you feel safe and comfortable.

Respect participation. If a home is not decorated or does not appear to be welcoming trick-or-treaters, skip it and move on.

Stay outside. Never enter an unfamiliar home or vehicle.

Choose considerate fun. Consider attending a local organized event instead of going door to door. Remember that a prank that seems harmless to one person may upset another, so lead with kindness and respect.

🍬 Keep Little Monsters Safe—and Treats in Check

Check treats first. Do not allow children to eat candy until a responsible adult has inspected it.

Keep track of children. Know where they are, who they are with, and when they are expected home.

🎃 Keep the Frights Fun and Neighborly

Be a considerate neighbor. Avoid pranks or behavior that could frighten, disturb, or inconvenience others. Let's work together to keep Halloween fun, respectful, and full of happy memories.
